

Project Hub P3M

Project Hub P3M is a modern Strategic Project Portfolio Management solution built on the Microsoft Power Platform. Designed to accelerate the delivery of projects for the modern AI project teams.

FREE

PROOF OF CONCEPT

Engagement Scope

In this engagement our teams are offering a FREE 4-week Proof of Concept engagement to experience Project Hub P3M, leveraging the complete extensibility of Power Apps, Teams, Co-Pilot and Power BI. Hands on-instructor led with regular training and feedback sessions established. Documented implementation plan and roadmaps will provide decision makers with everything they need to move to next steps.

- ✓ Demonstration of Project Hub P3M
- ✓ Kick off Workshop and Planning Session
- ✓ Training Session: x2 Project Managers
- ✓ Training Session: x1 Program Managers
- ✓ Training Session: x1 Portfolio Managers
- ✓ Training Session: x1 Workforce Managers

Target Audience

Project Hub P3M enables strategic project, program and portfolio management, resource management, timesheet entry, and governance workflows—validating alignment with current processes and identifying opportunities for improvement. Engaging key roles early in a PoC also builds user confidence, encourages adoption, and supports a smoother transition if the solution proceeds.

- ✓ Executives and Project Directors
- ✓ PMO and ePMO Project Teams
- ✓ Program and Project Managers
- ✓ Workforce and Line Managers
- ✓ Team Members/Timesheet Users
- ✓ Assurance and Governance Teams

Deliverables

The 4-week Proof of Concept for Project Hub P3M includes kick-off workshops, tailored training, solution demonstration, and weekly feedback sessions to align stakeholders and showcase key capabilities. Concluding with a documented implementation plan, solution roadmap, and executive summary to guide informed decision-making and potential next steps for a full company wide implementation.

- ✓ Kick off Planning Workshops
- ✓ Demonstration of Project Hub P3M
- ✓ Training Delivery/Sessions
- ✓ Q and A Weekly Sessions
- ✓ Solution Implementation Roadmap
- ✓ Solution Executive Summary Report
